Kenth Åkerman

Kenth is one of the best and most inspiring speakers for groups of +500 as well as 20 delegates. Kenth has inspired thousands of people, in Sweden and abroad, with his energizing and provocative speeches for over 15 years. He is an MBA, majoring in marketing and Certified NLP Trainer. He has a background in banking, travel industry and advertising.

Creating momentum with energy and enthusiasm

He talks about motivation and job satisfaction, the art of getting others to perform, successful corporate culture, mental training, purpose and meaning, service in world class, business acumen and entrepreneurship. Kenth is also the author of books on coaching leadership, service and personal leadership. Since the late 80s, he's been working with strategic and tactical marketing, business development, leadership and management issues; as a consultant, project manager and trainer.

He is passionate about creating perspective, focused on the human side in business. His keynotes are always fast-paced, practical, provocative and raises food for thought.

The motto is: **do CHANGE concrete.**
